*ST. JOSEPH HIGH SCHOOL
ALAMEDA, CALIFORNIA*

A Dedication . . .

Family Spirit which links every individual of our school is another gift of Father William Joseph Chaminade to his religious family.

We, the Senior Class of 1961, are aware of this gift. You, our parents in the Chaminade Guild and the Dads' Club, merit our dedication of the 1961 POWERDIVE, for you have brought us closer, with our Faculty, in realizing that we all belong to the family of Saint Joseph High School.

Dear Graduates of 1961,

I am sure that Father Chaminade, with the clear vision that was characteristic of him, saw your class as it is today, on the two-hundredth anniversary of his own birth. Not, of course, that he beheld each one of you personally, nor did he even know of St. Joseph High School in Alameda. Still, he knew certainly that there would be young men like you emanating from the foundations of the Society of Mary in every part of the world -- yes, in Alameda too.

These are not empty words. Your class of 1961, in my opinion, exemplifies the ideal, the man that Father Chaminade would have his schools produce. I have personally known you for the last two years and have enjoyed the privilege of being your teacher, your principal, your friend. If anybody has taken to heart the many exhortations I have given the St. Joseph students, you certainly have. Your wholehearted dedication to the aims and purposes of St. Joseph High School has been admirable. You have realized in your high school career many of the traits that are characteristic of the Marianist spirit: family spirit, simplicity, courage, and intense love of Mary.

Your family spirit has been contagious. The new freshmen were some of the first to recognize it, even while they carried your books and polished your cars during initiation week. You treated them with respect; they sought you out when they needed help later on. The virtue of simplicity was manifested in the direct way that you undertook even the most difficult tasks: the effective recruitment of quality eighth-graders, the campaign for student body offices, the chocolate sale, the field day, the reconstruction of the sodality, the overall upgrading of scholarship in the school. Courage went hand in hand with simplicity in all of these ventures and others.

To top it all, there was always a visible devotion to the Blessed Virgin Mary in your actions and in your attitude. Who could mistake the firm voice of the Mass prayers? the enthusiasm of your Marian hymns? the frequent sight of seniors at the Communion rail? the beads in your hands during the month of the Rosary? the heavy mission collections? the beautiful blossoming of the sodality? I am sure this filial piety to Mary will everlastingly animate the heart of every one of you.

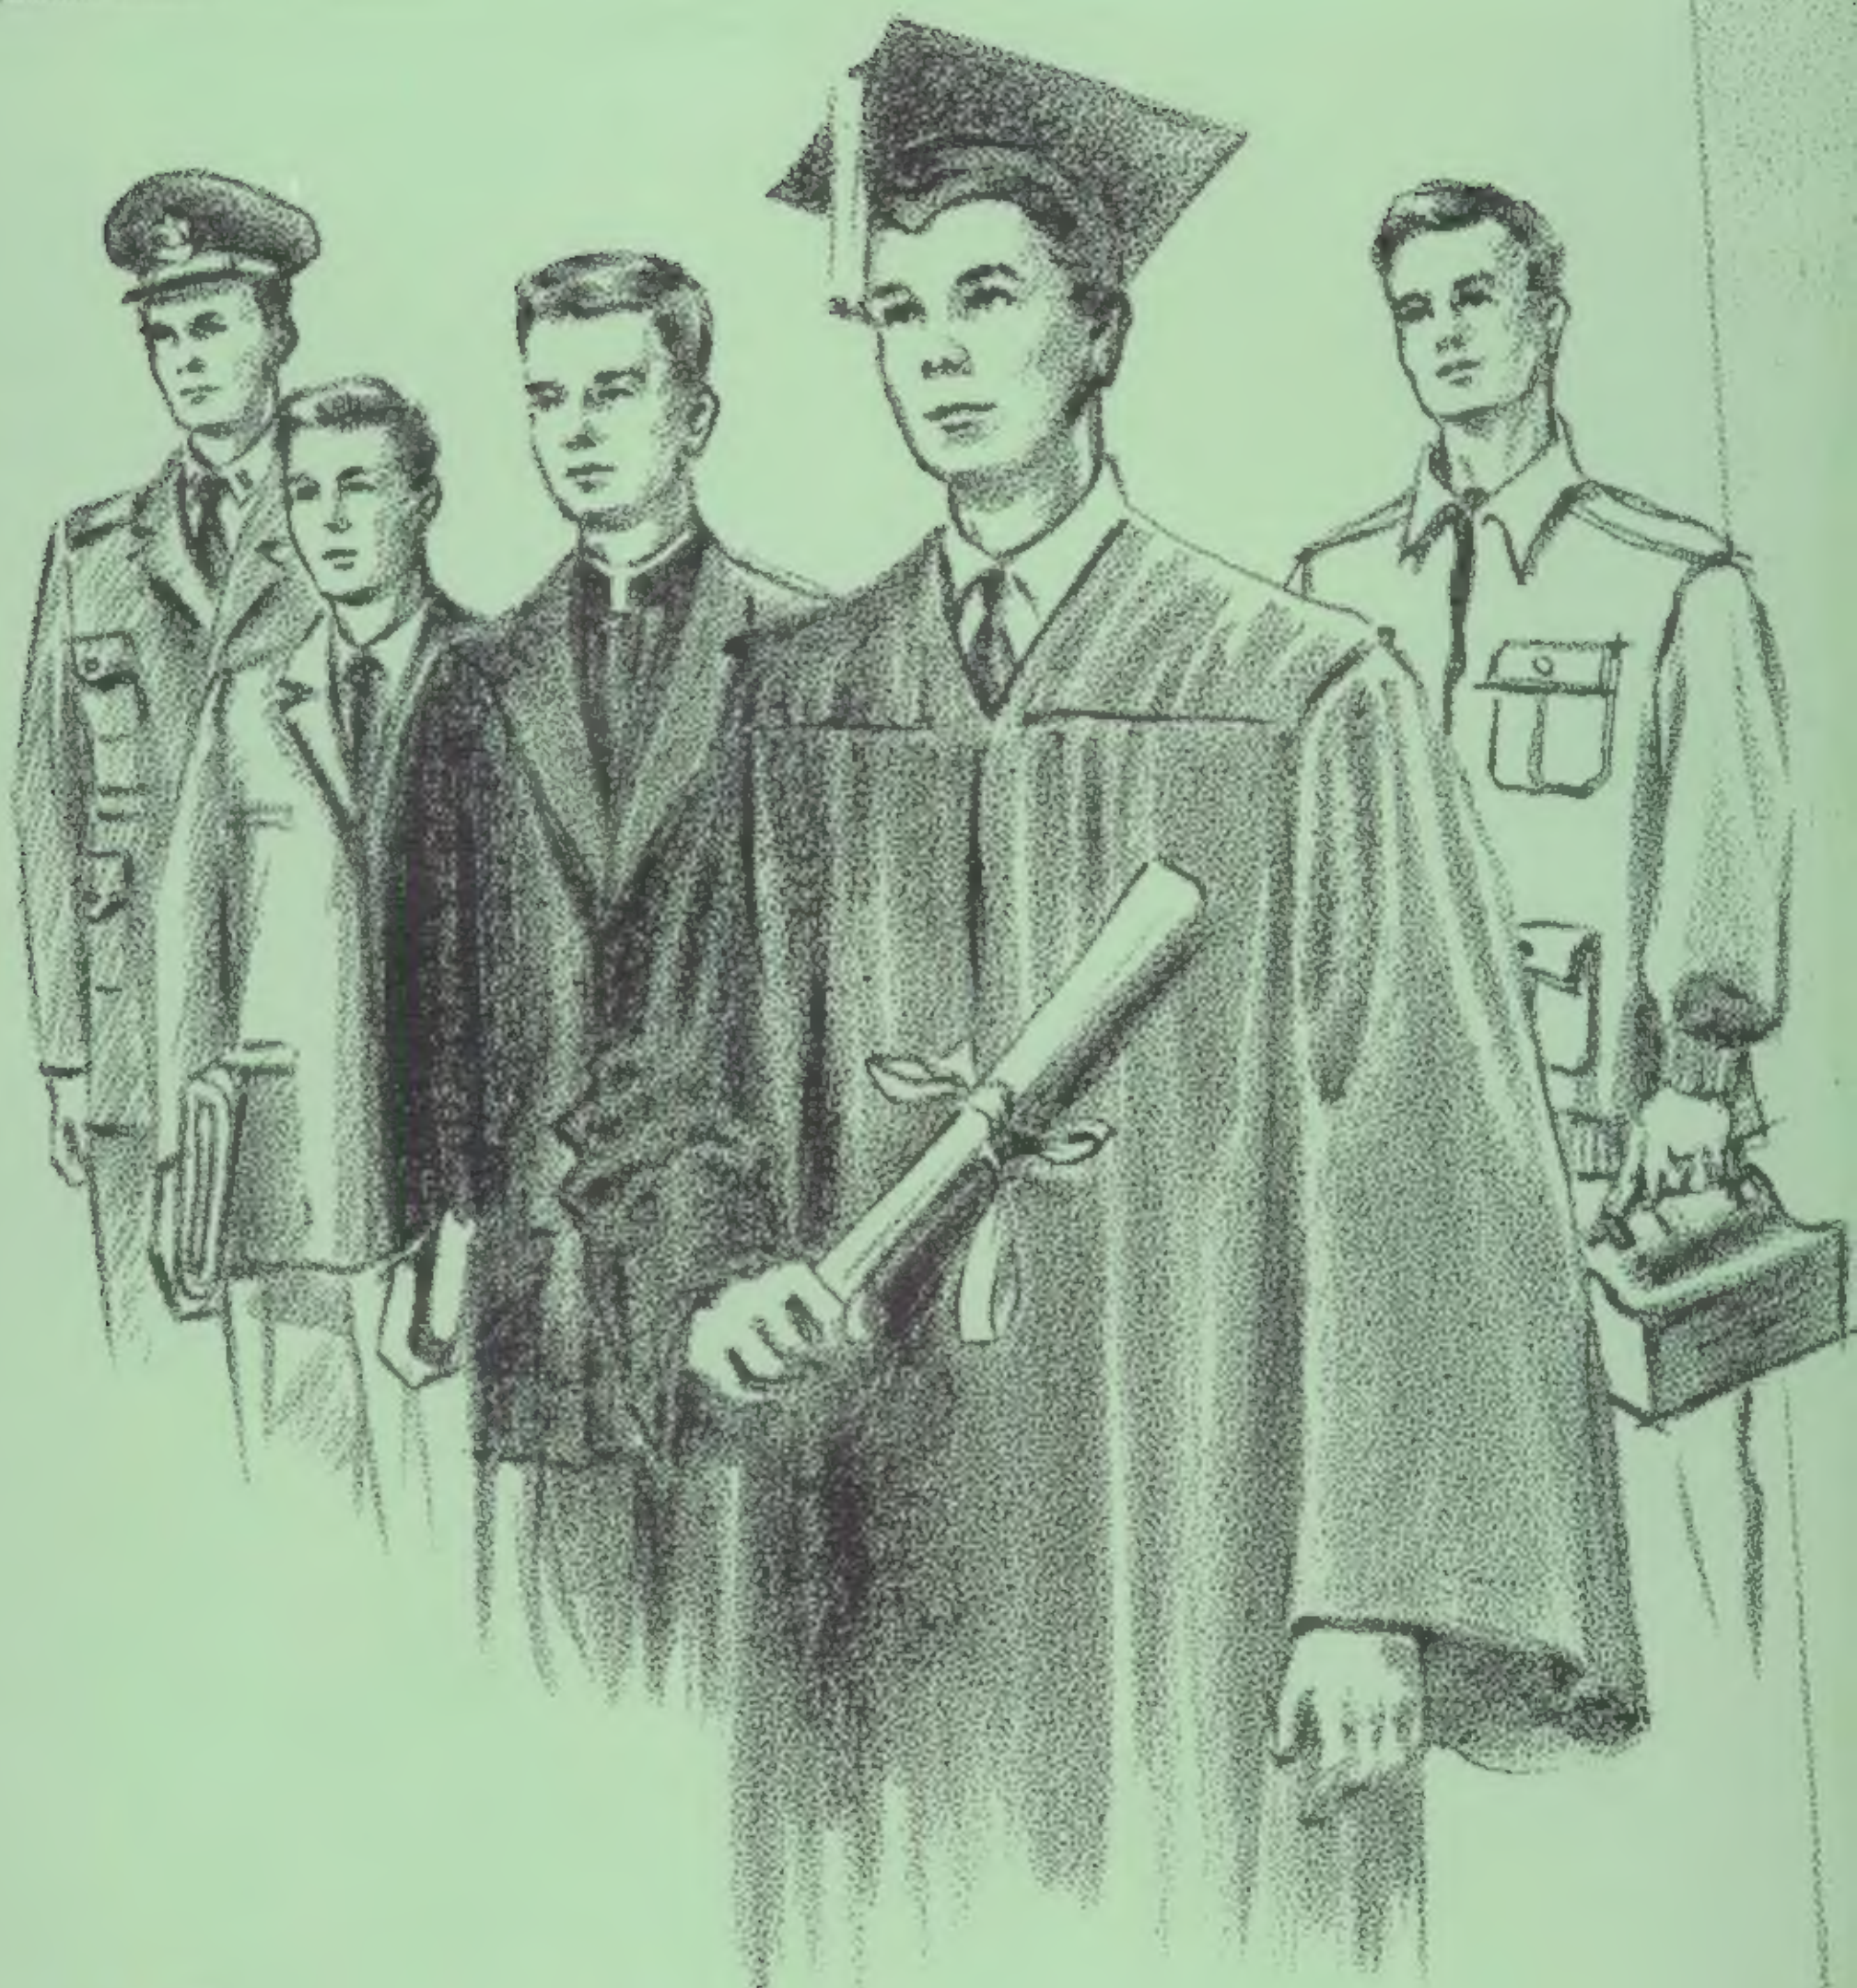

As students, you have fulfilled your mission. And now, my dear graduates, be true to the purposes of your individual lives. Freely have you received; freely give. Bring others to the knowledge and love of Mary, and thence to her Divine Son. You are the salt of your society, you are the light of your community. Be an apostle of truth and of life to all whom you meet along the path of life.

Farewell, dear friends! You will be back, I am sure, many times both in spirit and in the flesh, to revive the many fond lessons and experiences of your high school years. You will be in my heart and in my prayers always.

Devotedly yours in Mary Immaculate,

Bro. Elmer Dunsky, S.M.

The Chaminade Guild and the Saint Joseph High School Dad's Club are an intimate part of the educational program of the school. Their work was envisioned by Father William Joseph Chaminade while at prayer in the basilica of Our Lady of the Pillar, Saragossa, Spain, for all the works connected with the Society of Mary are part of the Family of Mary.

"To Jesus through Mary". This, the motto of the Sodality of the Immaculate Conception, inspired by the ideal of filial piety after the spirit of Father Chaminade's Marian Doctrine, has endeavored this group to reproduce in their own lives the filial love of Christ as well as respect and obedience to His Mother.

The Sodality, under the guidance of Father John MacEnhill, S.M., has merged into a more solid group, feeling that a more unified effort would thereby result. This effort was in fact manifested at the Eighth Annual Marianist Sodality Convention, Province of the Pacific held this year at Saint Joseph High School.

Organized through student initiative and legislated by student officers, the Student Council under the direction of Brother Robert Nunes has accomplished much to promote student government. This organization insures for everyone a voice in student affairs through his class or club representative. Outstanding among the accomplishments of this year's council is the revision and ratification of the St. Joseph High School Constitution. St. Joseph is also a member of the National Association of Student Councils.

In accordance with the newly ratified Constitution of Saint Joseph High School, it is mandatory that class officers be elected for each successive semester of the school year. During the past two semesters, those students privileged with the holding of these offices, were of the highest caliber and most certainly able and willing in carrying out their respective duties of office. It is to these future leaders of the Student Body we all owe whole-hearted gratitude for their part in cooperation as well as coordination between classes and divisions.

ST. JOSEPH HIGH SCHOOL, ALAMEDA, CALIF.

Once again, the Contact is in regular circulation. Last year, following a period of short retirement, the school newspaper began to appear in limited form. However, during the past year, after undergoing a modernization process under the direction of Brother Stanley Murikami, S.M., the Contact has now settled down to regular circulation. Some of the features of the "new" Contact are a new nameplate, photographs, glossy paper, new type and ads to help defer publication costs.

Summertime to be remembered

"The Good Old Days"

Under the talented direction of Mr. William Smith and Mrs. Arnold McDonald, the students of St. Joseph's were able to prove once again that they were capable of performing a unique production. The musical touch of Brother Paul Wessling and the able technical assistance of Mr. John Donovan added to the enjoyment of all. The artful planning of the Senior Act by Miss Mary Clayborn made the Senior Act, as usual, the highlight of the show. Indeed, this was the best Musical yet.

Marianist Missionary

Marianist Missionary to Kwangju, Korea is a tittle appropriate to Brother Melvin Silva, S.M., who, after spending the last four years at Saint Joseph, volunteered for the newly assigned mission land to the Society of Mary. His enthusiasm and geniality will be remembered by the men of Saint Joseph.

Brother Melvin receives the Missionary Cross from Father Leonard M. Fee, S.M., provincial superior of the Marianist, Province of the Pacific.

Brother Melvin relaxes with his native charges after classes are over for the day.
